The Reflexology Association of America (RAA) has sent out a notification to State Chapters that Reflexologists can now set up a *Google Alert* on mobile phone devices to be notified whenever there is legislative activity in your state that might affect your right to practice reflexology legally. *Google Alerts* is a free service offered by Google that sends email notifications of when web pages, newspaper articles, blogs or research has been noticed, according to the search terms you list with your request. You do not have to have a Gmail account to take advantage of this free service. Follow the following link for instructions:

<https://www.facebook.com/ReflexologyAssociationofAmerica>

Annual TRA Membership Dues:

The annual TRA membership renewal fee of \$20 (\$15 if we have your e-mail address) is due beginning January 1, 2017. The world-famous Whitaker Wellness Institute is located in Orange County, California. At this locale, a team of five medical doctors and staff Reflexologist Paul Harvey have been working with those experiencing the below conditions with notable results. During this hands-on Seminar, you will learn where and how to work on Feet, Hands, and Ears for relieving stresses related to each of these health challenges. Problems with **kidneys, prostate, colon, lungs, and spinal column** are almost of epidemic proportions. In a clinical setting, using Integrative Medical approaches, Foot Hand Ear Reflexology has become an integral part of caring for patients with these chronic and degenerative health challenges.

During this hands-on Seminar, students will learn where and how to work on Feet, Hands, and Ears for relieving stresses related to **Kidney Conditions, Prostatitis, Crohn's Disease, and Asthma-COPD, Spinal Discogenic Conditions**. This Seminar is for the person relatively new to the touch therapies as well as for the experienced practitioner.

Abundant Root Medicine

Introduction to Herbalism - Autumn Collection: Root Remedies

November 5, 10 a.m. - 1p.m.

Become acquainted with local plants and their valuable seasonal medicinal potential. Class includes traditional use, harvesting, recipes and helpful resources. Kelly Clonts is the instructor and will elaborate on a dozen herbs, their valuable use and bring many references from over 20 years experience of working with plants and people. A graduate of botanical medicinal programs and university, her clinical beginnings transitioned to natural health education to communities nationwide and to natural health professionals with an emphasis in herbalism and aromatherapy.
