Touchpoint

Third International Summer School in July 2017 in Copenhagen, Denmark

It has become a popular tradition to combine a wonderful holiday with high quality teaching each summer in Copenhagen, which is renowned for being northern Europe's largest festival city. Numerous festivals are held during the year with themes ranging from pop and jazz to film, ballet, design and the visual arts. The summer school includes two different courses. You can choose one or both, as you like. Please visit the web site for more details on each course.

Nerve Reflexology I: Spine-organs-pelvis-legs: July 10-12, 2017 (3 days)

JOINT PAIN & ANXIETY:

Essential Oil Research & Integrated Treatment Strategies Advanced Certificate Weekend Workshop

By: **Gabriel Mojay LAc** and **Dr. Timothy Miller ND**

JOINT PAIN: Saturday, April 8th.

This workshop will include the following:

- The evidence for essential oils important in the treatment of joint pain will be examined.
- An overview of key musculoskeletal pathologies and their respective treatment goals will be presented, together with an aromatic treatment plan for each common condition.
- In addition to essential oil applications, explore how Naturopathic treatment approaches to joint pain can be incorporated - including herbal medicines, dietary regimens, and nutritional supplementation.
- Explore the actions and location of a selection of acupoints with potent musculoskeletal actions, and their hands-on treatment through aromatic acupressure.

ANXIETY: Sunday, April 9th, Gabriel Mojay and Timothy Miller will cover the following aspects:

- A holistic approach to addressing anxiety disorders - by combining Naturopathic insights and interventions, advanced essential oil therapeutics, and the wisdom of TCM.

- Naturopathic patient assessment, and the various root causes of anxiety according to Naturopathy. They will identify major common obstacles - including vitamin and mineral deficiencies, gastrointestinal health, and adrenal insufficiency.
- Review some of the most important botanical, nutritional, and lifestyle interventions to address this mind-body disharmony.

Registration for one or both days can be found at the following link:
