The Georgia Reflexology Organization (GRO) is hosting a Face Reflexology class in Atlanta in December, taught by Ko Tan.

Dates: Saturday 12/15 and Sunday 12/16 from 9:00 am - 4:00 pm

Facial Reflexology is a science and art of utilizing the mini map of the human body found on the face to balance and rejuvenate the whole body. Face Reflexology uses a series of fingers and thumb techniques via the mini map on the face that resembles the human body to achieve balance to the body, mind and spirit. In this class students will be taught the two important mini reflexology maps of the body found on the face. Along with the specific techniques used on the face reflexology, the students will also learn the 3 major face Reflexology routines and a lymphatic drainage routine on the face. Also, discussions may include the basic concepts of meridians, herbal formulas, essential oil remedies and Bach flower remedies utilizing the About Face book by Ko Tan as tools in Reflexology.

Price: GRO Members - \$295; Non-GRO Members - \$320
